Help Doors Open London Celebrate Its 10th Anniversary And Win!

London, Ontario- Every year London opens its doors at several historical sites for public viewing. This year different sites will be participating in the annual event. Doors Open London will be celebrating its 10th Anniversary on September 17th and 18th (10:00am -4:00pm depending on sites availability). The London Heritage Council is proud and honored to keep this tradition alive and assist in implementing this for London and its community.

Each year the London Heritage Council tries to bring new and exciting activities to the events taking place. This year we are proud to announce:

A brand new contest! During Doors Open London weekend we will be posting 10 pictures of 10 different sites the first person to reference in a tweet with the name of the site we post wins 50 downtown dollars! Also, select sites will have ballots available for you to fill out to be entered for additional prizes and the grand prize draw!

The doors that are pictured will be available on a poster celebrating the 10th Anniversary of Doors Open London. Each winner will receive a complimentary poster but they will also be for sale at the headquarters of Doors Open London at the Central Library 251 Dundas.

The London Heritage Council encourages you to check these tweets and facebook posts out during the weekend to see what sites will be featured. So have fun and don't forget to check out the rules below for full details.
